"Released Parties" means the Organiser and the Facility, the Event's sponsors, partners and property owners, and each of their owners, partners, directors, officers, employees, volunteers, instructors, range officers, agents, contractors, affiliates, successors and assigns. You may also be asked to sign at the range desk. Participants aged 16–17 need a parent/guardian's signature or written WhatsApp consent before the batch (Section 12). If you do not accept, do not shoot — message +91 97424 04111 before your batch.

1. Acknowledgment of inherent risks

Air rifle shooting is an inherently dangerous activity involving compressed-air weapons capable of causing serious bodily injury or death, and its risks cannot be eliminated. They include, without limitation: being struck by pellets or ricochets (eye, facial, head or penetrating injury, blindness, death); equipment malfunction or accidental discharge, including of pre-charged pneumatic (PCP) rifles and their air cylinders; hearing damage; shoulder, arm, neck or back injury; inhalation of lead dust; slips, trips and falls; burns or injury from compressed-air systems; medical emergencies or aggravation of pre-existing conditions; acts of other participants or third parties; fire, electrical or structural failure at the Facility; infection from shared equipment; and my own fitness and travel to and from the Event. Neither the Organiser nor the Facility can guarantee my safety.

2. Voluntary assumption of all risks

I knowingly, voluntarily and expressly assume ALL risks of my participation, known or unknown, and participate at my own sole risk and cost without duress or inducement. I am solely responsible for following every safety rule and instruction of range officers, instructors and Event staff, using the safety equipment provided, operating equipment within my skill level, reporting unsafe conditions immediately, ensuring my own fitness, and stopping whenever I feel unsafe. I am solely liable for any loss to any person or property caused by my rash or negligent acts or omissions.

3. Health, fitness & sobriety declaration

I am physically and mentally fit to participate and have not been medically advised against it. I do not suffer from any condition that shooting could aggravate or that could endanger others — including cardiovascular, respiratory, seizure, vision, musculoskeletal, balance or mental-health conditions, pregnancy, recent surgery or injury, or medication impairing judgement or reaction time. If I participate despite any such condition I do so entirely at my own risk with a physician's clearance, and I will withdraw if asked by the Organiser, the Facility or a medical attendant. I will not be under the influence of alcohol, drugs or any impairing substance at the Event.

4. Complete release and waiver of liability

In consideration of being permitted to participate, I (and, where applicable, my parent/guardian on my behalf) RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE the Released Parties from ANY AND ALL LIABILITY, CLAIMS, DEMANDS, ACTIONS AND CAUSES OF ACTION WHATSOEVER, known or unknown, including personal injury, disability, illness, death, loss, damage or theft of property, breach of express or implied warranty, failure to provide adequate instruction, supervision or equipment, defects in or failure to warn of dangerous conditions in equipment or premises, and the negligence (active or passive) of the Released Parties, arising directly or indirectly from my participation. This release does not extend to intentional or grossly negligent conduct of the Released Parties where applicable law prohibits such a waiver.

5. Indemnification and hold harmless

I agree to INDEMNIFY, DEFEND, KEEP INDEMNIFIED AND HOLD HARMLESS the Released Parties from all claims, demands, losses, costs, expenses, liabilities and damages of any nature, including interest, penalties, advocate fees and court or arbitration costs, arising from my participation in the Event, my breach of this Agreement or of any law, regulation or Facility rule, or my negligent or intentional acts or omissions, including consequential loss to any person or property. I will defend the Released Parties in any action relating to my participation and reimburse all costs of that defence.

6. Medical treatment and expenses

Only basic first aid is available at the Event. I authorise the Organiser and Facility staff to obtain emergency medical treatment and transportation on my behalf if I cannot act for myself, and I consent in advance to such treatment. I bear ALL costs and consequences of any medical treatment arising from my participation. No insurance is provided for participants.

7. Mandatory safety rules and Event regulations

I will strictly follow ALL rules of the Event and the Facility and every direction of the Organiser, range officers, instructors and Facility staff. Violation of any rule may result in immediate disqualification and removal from the Event without refund.

7.1 Firearm safety (non-negotiable): treat every rifle as if it is loaded; keep the muzzle pointed only at the target; keep your finger off the trigger until ready to shoot; be certain of your target and what is beyond it; follow every range-officer command immediately and without question.

7.2 Protective equipment and attire: wear any eye or ear protection issued or directed by the Facility; closed-toe shoes at all times in the Facility; no loose clothing or jewellery, long hair secured; Facility safety equipment must not be removed or modified.

7.3 Range conduct: load only at the designated firing line, muzzle downrange at all times; rifles unloaded with actions open and racked when not in use; never handle a rifle while anyone is downrange, and go downrange only when authorised; cease fire immediately on command; only Facility-issued rifles, optics, equipment and pellets; no adjustment of or tampering with any rifle, air cylinder or sight except supervised zeroing; no rapid fire or unauthorised drills; no food, drink, tobacco or phone use on the firing line; no horseplay; report malfunctions and unsafe conditions immediately and return equipment after use.

7.4 Competition conduct: for the eliminations, check in 15 minutes before my allotted batch; for the semi-final and final, report by the notified time — late arrival, or missing my batch induction, forfeits my batch and my fee; respect all participants, staff and Facility property; no coaching or signalling to any shooter from the sidelines during a competitive round; no entry to restricted areas and no interference with other shooters; participants aged 16–17 must have this Agreement signed by a parent/guardian; scores are recorded and adjudicated by the Organiser and range officers, whose decisions on scoring, ties and results are final and binding.

7.5 Disqualifying conditions (immediate removal, no refund): being under the influence of alcohol, drugs or impairing substances (zero-tolerance); aggression, erratic behaviour or signs of illness impairing safety; unsafe handling, including pointing the muzzle anywhere other than the target; refusing issued safety equipment or range-officer or instructor instructions; tampering with equipment outside supervised zeroing; breach of any fundamental firearm safety rule; a prior ban from this or any shooting facility; or any behaviour deemed unsafe by the range officers or the Organiser, whose authority in this regard is absolute.

7.6 Venue rules, tournament structure, scoring disputes & Event page. By accepting this Agreement I acknowledge and agree that: **(a) Venue rules** — I am bound by the Facility's own house rules, range rules and safety regulations as displayed at the Facility or communicated by its staff; where a Facility

rule is stricter than this Agreement the stricter rule applies, and a breach of a Facility rule is a breach of this Agreement. **(b) The tournament structure is final** — the published format and bracket (70 shooters → top 21 to the semi-final → top 7 to the final → 1 Top Gun), the day, batch, lane and report time allotted to me, the course of fire, the scoring system, the seeding of later rounds and the tie-break rules (inner-ten count, then a one-shot shoot-off) are final and binding; they are not open to challenge, appeal or negotiation, no re-shoot or re-allotment will be granted on request, and only the Organiser may amend them for safety or operational reasons under Section 9. **(c) Scoring disputes at the point of scoring only** — any objection to a shot value, scorecard or scoring decision must be raised with the range officer at the point of scoring, while I am still at the firing line and before my scorecard is signed off; once the card is signed off or I leave the firing line, the recorded score is conclusively final and no protest or review will be entertained, including after results or the cut are published. **(d) Event page, Code of Conduct and induction** — I have read the Event page and FAQ (mfadventures.in/uru-top-gun-gold.html) and will adhere to every rule published there and to every instruction given in the range induction and by the instructor on my lane; these form part of this Agreement together with Sections 7.1–7.5 and the Facility's rules.

8. Media, photography, testimonial & publicity release

I irrevocably grant the Organiser and the Facility, and each of their sponsors, partners and assigns, the unconditional, perpetual, worldwide, royalty-free right to photograph, film and record me (image, likeness, voice, name, statements, scores and results) before, during and after the Event, and to use, reproduce, edit, publish, distribute and promote that material in any media now known or later developed for any legitimate purpose — including promotion of this and future events, social media, press, paid advertising, merchandise, leaderboards and results, case studies, and safety and incident monitoring (recording at the Facility is continuous). This extends to any testimonial, review or feedback I give, attributed to my name. No approval, fee or compensation is required; I waive any right to inspect the finished material and release the Released Parties from any claim relating to such use, including defamation, privacy or publicity rights, except unlawful use. This release survives the Event.

9. Entry fee, cancellation & postponement

My entry fee is non-refundable and non-transferable once a batch has been allotted to me, including for no-show, late arrival, a missed induction, disqualification, removal for rule violations, refusal to accept this Agreement, or my own withdrawal for any reason; any move to a future edition is solely at the Organiser's discretion. The Organiser may modify the Event (including batch timings and format) for safety, Facility availability, regulatory or operational reasons. If the Organiser cancels or postpones the tournament, my entry fee will be refunded in full, and that refund is the limit of the Released Parties' liability for the cancellation or postponement.

10. Dispute resolution, governing law & limitation

Any dispute arising from this Agreement, the Event or any injury shall be resolved exclusively by binding arbitration under the Arbitration and Conciliation Act, 1996, by a sole arbitrator appointed by mutual agreement of the parties (failing which, in accordance with Section 11 of that Act), seated in Bengaluru, in English. This Agreement is governed by the laws of India and the courts at Bengaluru have exclusive supervisory jurisdiction. I waive any right to participate in a class or representative action against the Released Parties. Any claim must be brought within one (1) year of the incident or is forever barred, to the extent permitted by law.

11. General legal provisions

Severability: any unenforceable provision is severed and the remainder stands. **Entire agreement:** this Agreement, together with the Event rules and FAQ published by the Organiser and the Facility's house rules, is the entire agreement and supersedes all prior representations. **No staff modification:** no employee, volunteer or agent may modify or waive any provision; modifications require a writing signed by an authorised representative of the Organiser. **Binding effect:** this Agreement binds and benefits the parties and their heirs, executors, legal representatives, dependants, successors and assigns. **Continuing validity:** it applies to the Event and to all my current and future visits to the Facility in connection with the Organiser's events, unless revoked in writing by both parties.

12. Parental / guardian consent (participants under 18)

If the participant is under 18, the undersigned parent or legal guardian confirms that they have full legal authority to consent on the minor's behalf; have read and understood this entire Agreement; consent to the minor's participation and accept all risks on the minor's behalf; release, indemnify and hold harmless the Released Parties from all claims on behalf of the minor, themselves and their family members; accept financial responsibility for injury or damage caused by or to the minor; consent to the media release in Section 8 on the minor's behalf; and are personally bound by every term, waiving the minor's legal rights as well as their own. **A participant aged 16–17 will not be allowed onto the firing line unless a parent/guardian has signed this Agreement at the range desk or sent written consent to +91 97424 04111 on WhatsApp before the batch.** Acceptance by attendance under Section 13 does not apply to minors.

13. Acceptance by attendance, acknowledgment and declaration

This Agreement has been sent to me on WhatsApp before the Event. **By reporting at the Venue, signing in at the range desk, or taking my lane in any round of the Event, I confirm that I accept this entire Agreement and am bound by it exactly as if I had signed it.** If I do not accept it, I will not shoot and will inform the Organiser before my batch.

I confirm that I am at least 18 years of age (or my parent/guardian is signing on my behalf); I have carefully read and fully understood this entire Agreement and that it affects substantial legal rights, including the right to sue for negligence; I have had the opportunity to seek independent legal advice; I accept it voluntarily; I understand the serious inherent risks of air rifle shooting, including the risk of death; I am physically and mentally fit to participate; I will follow all safety rules and range-officer instructions without exception; I accept full personal responsibility for any injury I sustain. By attending, signing in, or affixing my signature, I waive all my legal rights, for myself and on behalf of my dependants, to give full effect to this document.
